

Prior to taking any new medications, prescription and over the counter medications with adverse effects warnings, Train Service Employees should contact OHS at [212-499- 4720](tel:212-499-4720)

RULE G
DRUG AND ALCOHOL USE

1. Employees are prohibited from reporting for service, going on duty or remaining on duty while under the influence of or when impaired by alcohol.
2. Employees are prohibited from using a controlled substance at any time, whether on or off duty, except as provided in paragraph 3 of this Rule.
3.  Employees are prohibited from reporting for service, going on duty or remaining on duty while using or being under the influence of any prescription or over-the-counter drug or medication that can adversely affect their alertness, coordination, reaction, response, or safety. Employees must have the authorization of the Company Medical Review Officer prior to performing service while taking any drug or medication that is labeled with a warning related to adverse effects in any of the above areas.
4. Employees subject to drug and alcohol testing under Company policy or Federal regulations who refuse to provide samples when required are in violation of this rule. Such violation may lead to disciplinary action and penalties up to and including dismissal.
