

New England Collision

Relax, it was an accident.

Our focus is on providing a concierge level service which includes: facilitating seamless coordination with your insurance carrier, getting your vehicle repaired the way YOU want it repaired and providing convenient access to an HERTZ® rental.

ATTENTION ACRE MEMBERS

The ACRE is pleased to announce that we have added New England Collision, one of Connecticut's premier auto body repair shops, as a preferred vendor for ACRE members and their families for all of your auto collision repair needs.

Located on Derby Avenue in West Haven around the corner from the Yale Bowl, they have been servicing families throughout Connecticut since 1996. Though located in West Haven, they provide towing services throughout the state, work with all major insurance carriers, collaborate with your attorney if needed, and set up rental car accommodations.

The two owners have each been in the industry for over 20 years, and unlike many shops, they are onsite daily. Free estimates are a standard service and as an ACRE member you will be presented with the best price possible to keep your out of pocket costs as low as possible.

As with the level of service and commitment you provide to those you serve, their mission is to replicate that commitment to you. As an additional feature for ACRE members you will work directly with John Kraemer the Director of Operations for NEC. Simply call, ask for John and identify yourself as a ACRE member. They will take care of the rest from there.

FREE ESTIMATES & FREE INSPECTIONS: 203-389-6400
